Vol. 1 No. 1

Spring 1992

Dear Friends,

We are pleased to announce that the former Nazareth College Alumni Association has incorporated as an independent nonprofit charitable corporation as of January 1992! A great way to start the new year! Our new name, **NAZARETH ASSOCIATION**, was chosen to better reflect the fact that our new association will include not only alumni, but also all those who are and have been closely associated with Nazareth.

Upon the decision to close the college, we took immediate steps to plan for the future. The "Reaching toward the Future" All-Class Reunion was a tremendous success. Alumni throughout the weekend helped to define goals and plan for the continuation of the association. Questionnaires that were mailed out in August, 1991 were read with care and produced an impressive list of alums ready to volunteer their time and ideas.

Marian Hankerd '37 is working diligently to develop a Regional Organization Plan, Kate Seymour Rosevear '64 has established a Class Representatives Program that was already called into action to contact class members about the reunion, and a Leadership Conference is being planned for the near future.

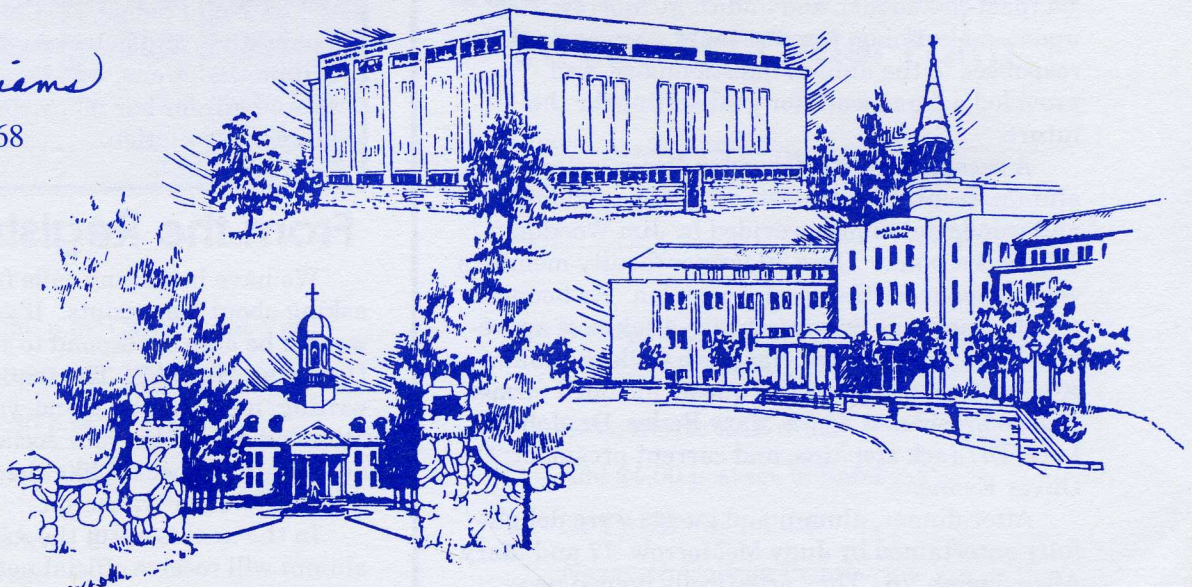

The All-Class Reunion also provided enough seed money to begin to carry out the association's plans. We are very grateful for the generous contributions that we received and hope that we can count on your continued support as we face the many challenges ahead.

Keep in touch with us as we will with you.

Sincerely,

Phylis D. Williams
